Support and Services:

Quartz Battery Wristwatches Technical Support and Service include:
Instructions for setting the time and date on the watch
Advice on battery replacement
Information about available repair services
Help troubleshooting any malfunctioning parts
Advice on how to maximize the watch's durability and longevity

Packing and Shipping:

Packaging and Shipping

Quartz Battery Wristwatches are packaged in specially designed boxes that provide protection during shipping. The box is made from corrugated cardboard and lined with foam padding to keep the watch safe during transit. The watch is then placed in an inner box and surrounded by extra padding to prevent any damage.

The watch is shipped using standard delivery services such as UPS, FedEx, or USPS. Depending on the destination, the package may take up to 5 days for delivery. To ensure the watch arrives safely, we recommend tracking the package until it is delivered.

FAQ:

Q: What type of movement does this watch have?

A: This watch has a Quartz movement.

Q: How is this watch powered?

A: This watch is battery-powered.

Q: What type of battery does this watch use?

A: This watch uses a standard watch battery.

Q: Is this watch suitable for water sports?

A: This watch is water-resistant but not waterproof, so it is not suitable for water sports.

Q: Does this watch have a stopwatch feature?

A: Yes, this watch has a built-in stopwatch feature.
